## NEW LOOK FOR COROLLA CROSS

Toyota's Corolla Cross facelift, to be revealed earlier this year, brings a redesigned grille and updated interior.

When a car like the Toyota Corolla Cross gets a facelift, it's not just about looks—it's about refining what already works and adding a touch of brilliance. The 2025 model does exactly that. Toyota's latest updates strike the perfect balance between practicality and a hint of luxury, making it a vehicle that's both a workhorse and a showstopper.

### • A fresh face: bolder exterior

Starting with the exterior, the new centre grille features a gradient honeycomb pattern, giving the front end a sharp, modern look. It's not overly flashy, but it has just the right amount of flair to catch your eye. This isn't a reinvention—it's a thoughtful evolution.

### • Colours that pop

Toyota's expanded the colour palette, introducing the striking Brass Gold alongside the ever-popular Oxide Bronze. These shades aren't just colours; they're statements. Whether you want to stand out or stay understated, there's something here for every taste.

### • Interiors that feel like an Upgrade

Step inside, and the updates are immediately noticeable. Real stitching now adorns the dashboard and console lid, replacing the artificial version from before. It's a small detail, but it makes a world of difference in the overall feel. Add to that dark brown accents on the armrests and seat backs, and you've got an interior that's warm, inviting, and undeniably premium.

### • Practical additions

The power rear door, available on the Xr and GR-S models, is a game-changer. With a simple kick under the rear bumper, the motorised tailgate opens smoothly, making loading and unloading easier than ever. It's a feature you don't realise you need until you have it.

Wave your foot under the rear bumper, and it opens like magic.

Inside, it's all about refinement: Inviting and undeniably premium.

### • Technology that works

The tech upgrades are equally impressive. The entry-level Xi trim features an 8-inch display, but the higher Xs, Xr, and GR-S trims boast a new 10-inch display paired with six speakers. The system is intuitive and enhances the driving experience with seamless connectivity and top-notch sound quality.

### • Parking made easy

Toyota has also upped the ante on parking assistance. The Xi model gets two rear parking sensors, while the Xs adds two at the front. For the Xr and GR-S, there's a panoramic view monitor that uses cameras to give you a 360-degree view around the car, making tight parking spots and tricky manoeuvres a breeze.

The 2025 Toyota Corolla Cross is a thoughtful update to an already capable crossover. It's a car designed for the everyday, but with enough refinement to make every journey feel special.

## HOW TO: Convert and manage docs like a Pro with ilovepdf.com

For professionals in administrative roles, managing documents is a daily challenge that can quickly derail productivity. Whether it's splitting oversized PDFs, merging several documents into one, or converting between formats, these tasks often feel tedious and time-consuming. That's where iLovePDF.com comes in—a free, web-based platform that's becoming an indispensable tool for anyone looking to streamline their document management.

iLovePDF offers a suite of intuitive tools designed to simplify the most common document-related headaches. Users can split pages from large documents, merge multiple files, or convert PDFs into editable Word, Excel, or PowerPoint formats. It's user-friendly, requires no software downloads, and operates seamlessly from any device with internet access.

Security is another standout feature of iLovePDF. Files uploaded to the platform are encrypted during processing and deleted shortly afterward, ensuring sensitive information stays private. For professionals handling confidential documents, this level of security is a critical advantage.

As the demands of hybrid and remote work continue to grow, tools like iLovePDF are proving to be essential. For those juggling schedules, reports, and presentations, this platform is more than just a convenience—it's a productivity game-changer.

## 25 FIRST-AID HEROES TRAINED, CERTIFIED AND READY TO RESCUE

Broadway Motors has taken a proactive step towards enhancing workplace and community safety by equipping a 25-member team, drawn from Shell Ultra City Mahalapye and Broadway Toyota Mahalapye, with vital emergency response skills. The training aims to enable swift and effective action in emergency situations, ensuring the well-being of both customers and employees.

The team, now certified first aiders, will serve as

and prevent conditions from worsening while awaiting advanced support. Special emphasis was placed on managing incidents involving individuals with pre-existing conditions.

Feedback from attendees highlighted the course's relevance and impact. Many expressed confidence in their ability to make a tangible difference in preserving lives during emergencies, whether involving colleagues or members of the public.

first responders to incidents occurring within the workplace and the wider community. This two-day intensive training, conducted by Theodora Desai, an experienced instructor from Med Reflex Emergency Medical Services, combined theoretical knowledge with hands-on practice, incorporating real-life scenarios to reinforce learning.

The course covered critical response techniques for road traffic accidents, workplace mishaps, and domestic emergencies. Trainees learned how to manage unresponsive patients, stabilise injuries,

**“Trainees learned how to manage unresponsive patients, stabilise injuries, and prevent conditions from worsening while awaiting advanced support.”**

The training will be refreshed every two years to ensure participants stay abreast of evolving practices and trends in emergency response, further cementing Broadway Motors' commitment to fostering a safer environment for all.

## Upcoming Key Event

### Broadway Toyota Mahalapye heads to Orapa and Letlhakane

Broadway Toyota Mahalapye is gearing up to hit the road, bringing its latest offerings to the people of Orapa and Letlhakane on **January 30 & 31, 2025**. The team will set up shop at Orapa Freedom Square and Teemane Mall in Letlhakane, marking the first roadshow of the year with an exciting line-up of activities and insights.

This much-anticipated event promises a sneak peek into what's coming in the year ahead. Highlights include the stylish new look of the Corolla Cross, updates on the re-stocking and delivery of the Land Cruiser which faced production delays last year, leaving eager customers waiting. The wait is almost over, and this roadshow is your chance to get the latest updates.

Expect an information-packed session as the Broadway Toyota team brings its A-game. Plus, expert technicians will be on hand to assist with any issues your car might have. Don't miss out - join us as it's all happening in Orapa and Letlhakane
