

WHEN THERE'S
TOUGH
TO BE DONE

THE NEW-GENERATION
HILUX

MODEL SHOWN: 2.8 GD-6 4x4 SRX 6AT

SINGLE-HANDEDLY TOUGH. SINGLE-HANDEDLY HILUX.

South Africa wasn't built on light duties. It was built by people who rise before sunrise and put in the hard work. And when there's tough to be done, the New-Generation Hilux Single Cab is right there with them.

For decades, the Hilux has been the backbone of every enterprise, from farms and work sites, to towns and cities across the country. Now, the 9th generation arrives tougher, smarter, and more capable than ever, with a bold new design built to show up day after day, job after job.

Inside, the cabin is completely reimagined: a modern layered dashboard, panoramic interior, and intuitive infotainment system make every shift easier. Under the bonnet, legendary GD6 performance, payload muscle, and uncompromising reliability make it the ultimate tool for the operators who keep this country moving.

SINGLE-HANDEDLY READY FOR ANY ENGINE CHOICE

The New-Generation Hilux Single Cab range is built around legendary performance and heavy-duty GD-6 diesel engines ready to tackle whatever the day demands.

Whether you're chasing lower running costs with an efficient 4x2 or taking on the toughest jobs with the unstoppable traction of a 4x4, there's a Hilux Single Cab configured to work relentlessly, reliably and without compromise.

MODEL SHOWN: 2.8 GD-6 4x4 SRX 6AT

SINGLE-HANDEDLY POWERING PROGRESS

Dependability isn't a nice-to-have when the work needs doing. It's what keeps businesses moving, jobs on schedule and South Africa working.

Powered by the everyday efficiency of the 2.8 GD-6 diesel engine, the New-Generation Hilux Single Cab is engineered to take on the hard graft without missing a beat. Paired with an automatic transmission, it delivers the torque, durability and reliability needed to keep working for longer.

Beneath it all is the high-tensile ladder-frame chassis, the foundation of Hilux's tough reputation. Built to carry heavier payloads, tow with confidence and take the knocks that come with real work, it's engineered to keep showing up, day after day.

2.8GD-6 150 kW @ 3000 r/min 500 Nm @ 1600-2800 r/min

SINGLE- HANDEDLY FORMED FOR FUNCTION

The New-Generation Hilux Single Cab looks every bit as capable as it is. With a bold new design that signals strength from every angle, its purposeful stance is built to make an impression long before the work begins.

New daytime running lights give it a sharper, more modern edge, while every design detail serves a purpose, like side steps to make moving in and out of the cabin safer and easier.

MODEL SHOWN: 2.8 GD-6 4x4 SRX 6AT

SINGLE-HANDEDLY A MODERN MULTITOOL

Long days. Early starts. Late finishes.
The New-Generation Hilux Single Cab is designed to take
them all in its stride.

Inside, the all-new cabin brings a more refined, modern feel without losing sight of the job at hand. A redesigned dashboard, updated steering wheel and intuitive 8-inch infotainment display create a workspace that's as practical as it is comfortable, while one-touch electric windows add everyday convenience where it matters.

Hardwearing fabric seats are built to stand up to the demands of real work, shift after shift, kilometre after kilometre.

MODEL SHOWN: 2.8 GD-6 4x4 SRX 6AT

SINGLE-HANDEDLY GUARDING EVERY DRIVE

Real toughness isn't just about getting the job done. It's about making sure everyone gets home safely too.

The New-Generation Hilux Single Cab maintains the trusted safety South Africans have relied on for decades, with driver-assistance technology available on selected models for added peace of mind on the job.

Across the range, core safety features including Anti-lock Braking (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA), Vehicle Stability Control (VSC) and up to seven airbags provide confidence wherever the work takes you.

TOYOTA ENVIRONMENTAL CHALLENGE 2050

AT TOYOTA, CREATING TECHNOLOGICALLY ADVANCED VEHICLES ISN'T OUR ONLY PRIORITY; WE'RE COMMITTED TO LOWERING OUR ENVIRONMENTAL IMPACT THROUGHOUT OUR ENTIRE PRODUCTION PROCESS. HOW? BY SETTING OURSELVES SIX CHALLENGES THAT WILL SEE US REACH A TRULY WORLD-CHANGING GOAL - A POSITIVE ENVIRONMENTAL IMPACT BY 2050.

The message is clear – Toyota Motor Corporation (TMC) wholeheartedly supports the Paris Agreement and accepts the challenge to achieve carbon neutrality by 2050. The Paris Agreement is a legally-binding international treaty on climate change and is aimed at reducing the emission of gases that contribute to global warming. While this treaty was only adopted in 2015, Toyota has been innovating and investing in technology to reduce emissions and achieve carbon neutrality for well over 30 years. Toyota has also led the way with more electrified vehicles on the road than any other automaker.

THE TOYOTA HILUX HAS BEEN MANUFACTURED TO MINIMISE ITS CARBON FOOTPRINT.

Guided by the goals of the Toyota Environmental Challenge 2050, as little impact as possible is made on the environment during each step of the process. From design to manufacturing, to end-of-life recycling programmes, our planet always comes first. This is because the ultimate long-term goal for Toyota is to make all our vehicles as environmentally friendly as possible. With this in mind, the entire Hilux range has been designed to have very low CO₂ emissions.

CHALLENGE 1

NEW VEHICLE ZERO CO₂ EMISSIONS CHALLENGE

By owning a Toyota you would be contributing to the reduction of vehicle CO₂ emissions by 90% in 2050 as opposed to 2010. You will help us promote the development of next-generation vehicles and further accelerate the spread of these vehicles.

CHALLENGE 2

LIFE CYCLE ZERO CO₂ EMISSIONS CHALLENGE

You are lending a helping hand to Toyota's efforts to reduce to zero not only CO₂ emissions produced in travelling and manufacturing, but all CO₂ emissions including the process of materials production, disposal and recycling of vehicles.

CHALLENGE 3

PLANT ZERO CO₂ EMISSIONS CHALLENGE

You uphold the two main pillars of our strategy to achieve zero CO₂ emissions at our plants which are:

1. Developing and introducing low-CO₂ technologies with ongoing kaizen.
2. Adopting renewable energy sources and utilising hydrogen energy.

CHALLENGE 4

CHALLENGE OF MINIMISING AND OPTIMISING WATER USAGE

In automobile manufacturing, we use water in painting, forging and other processes. Therefore, even a small reduction of its impact on the water environment is important. We have two measures to achieve this - comprehensive reduction of the amount of water used and comprehensive purification of the water and returning it to the earth.

CHALLENGE 5

CHALLENGE OF ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEMS

You have contributed to our 40 years on the challenge of resource recycling. Going forward, by rolling out to the world the technology and systems evolved in Japan, we will all continue working on the challenge of establishing a recycling-based society.

CHALLENGE 6

CHALLENGE OF ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE

Here at Toyota we have engaged in planting trees at our plants and environmental conservation activities in our surrounding areas. To establish a society where humans and nature coexist in harmony, we are promoting several activities to connect regions, the world and the future.

TOYOTA IS SERIOUS ABOUT COMBATING THE PROBLEMS ASSOCIATED WITH WASTE TYRES IN THE COUNTRY AND HAS THEREFORE TAKEN UP ITS PRODUCER RESPONSIBILITY AS DEFINED BY THE WASTE MANAGEMENT ACT OF 2008. WASTE TYRE REGISTRATION NUMBER: TPREG0031GAU

All Toyota vehicles can now be connected to the MyToyota App on your mobile phone, giving you more control of your driving experience and opening up a whole new world of personalised offerings and customisable features, so that you can enjoy:

IN-CAR WI-FI*

Connect to Wi-Fi

GPS LOCATOR

Always know your vehicle's GPS location

Toyota vehicles are known for their Quality, Durability and Reliability. Keeping your Toyota Genuine means no compromises in terms of safety, performance and resale value. The range of Genuine Products and Approved Services will ensure complete peace of mind throughout the ownership journey and beyond. For more information on how to Keep Your Toyota Genuine visit www.toyota.co.za/owners/genuine-parts

TOYOTA GENUINE PRODUCTS

For guaranteed fit and function, Genuine Parts are essential in maintaining the safety and reliability of your vehicle. They also comply with all safety, regulatory and environmental requirements, making it the obvious choice. The same exacting precision applies to Toyota Accessories, developed by engineers with extensive knowledge on vehicle integration - you can enhance the appeal and functionality of your Hilux without compromising its safety features or warranty. Warranties are about peace of mind, and the Genuine Unlimited Warranty is designed to provide superior cover (up to 10 years, unlimited mileage) and a seamless claims process thanks to full integration with Toyota systems. The Genuine Extended Service Plan also enjoys exclusive approval by Toyota SA and provides flexible extension options up to 10 years or 300 000 km to suit your period of ownership. Paying today's rates for tomorrow's maintenance is a sensible way to protect the resale value of your Hilux by means of a full service history.

TOYOTA APPROVED SERVICES

Specialised vehicle maintenance requires first-class facilities, advanced equipment and expert knowledge. Toyota Quality Service and Value Service not only promise accurate diagnosis and repair, but also a philosophy of building trust through a genuine concern for the needs of our customers. To complement the extensive network of Toyota dealers, we have a vast number of Accredited Body and Paint Repairers, selected on stringent criteria to ensure outstanding workmanship and customer service. You can maintain your vehicle's pristine condition without compromising its warranty thanks to the exclusive use of Genuine Parts by our Accredited Repairers. Offering 24-hour access to a full complement of assistance and recovery benefits, Toyota Roadside Assistance provides the peace of mind that competent support is only a phone call away.

TOYOTA GENUINE MEANS

✓ UNCOMPROMISED SAFETY ✓ GUARANTEED QUALITY ✓ PEACE OF MIND

Toyota Financial Services

TOYOTA FINANCIAL SERVICES

There is no 'one-size-fits-all' when it comes to vehicle finance and insurance, there is only you. With fast, flexible and convenient services we will structure the perfect Hilux deal for you.
